Cold Weather Continues

After a brief respite the cold weather is with us again. Last Wednesday and Thursday 10 above zero was reached and on Friday morning 20 above zero was reached, but during the afternoon a storm started and it was not long before the thermometer was registering round the 15 below mark. Campaign to Aid Dominion Scout Movement

Governor-General
Urges Support

A campaign is shortly to be launched to raise funds for the extension of the Boy Scout movement in Canada. Various projects will be undertaken during the campaign, which will get underway some time early in February, to raise sufficient money to finance Canadian scouts and their activities for the next five years.

Speaking in his capacity of Chief Scout, the Earl of Bessborough asks for wide and generous support on the part of citizens in all sections of Canada.

At the present time Canada has an active scout force of 60,000 vigorous, self-reliant young men and boys. Of that number the names of 6,200 are inscribed on the Alberta rolls. Drawing attention to the fact that Alberta has the highest enrollment per capita of any province in the Dominion Col. J. H. Woods said: "We have here a force that is being trained in citizenship through ideals and precepts—a body whose usefulness and opportunities it is for us to extend. There is no work open to the efforts of young men and women, and no work more worthy of the support of older men and older women than this, the work of the Boy Scouts."

Alberta will be asked to do her share next month.

Among the delegates from this district attending the U.F.A. and U.F.W.A. convention in Calgary this week, are Mr. D. Warwick, Mrs. A. E. Todd and Mr. W. T. A. Walker.

high point. Today the temperature ranged between 10 below and 20 below. The forecast is for continued cold weather.

To Electric Light and Power Consumers:
